

Pembrey Race Report 21st August 2016

Only seven cars turned up to a very windy Pembrey for the race, with Tim Sage a non-starter for both the race and the Saturday Sprint which had been much enjoyed by Xavier Kingsland, Andy and John Turner, Fin Mackintosh (having his first circuit outing in his MK5 Cooper) and Richard Grant.

Sunday morning's windy weather also threatened rain but fortunately the practice was undertaken in dry weather conditions.

Darrell's was still running in his engine so took things a little easier than normal and Roy Hunt with black flagged for circulating without his transponder. This black flag encouraged several other drivers to bring their qualifying session to an end, especially as the number shown with the black flag spent some time obscured from view, so many were unsure as to which car was to come into the pits!

Fastest time was recorded by Xavier Kingsland driving the Staride, with a time of one 1:15.66 followed by Andy Turner in his Cooper MK6, on 1:17.31 and JB Jones in the JLR, who was driving out of his skin, with a time of 1:19.01.

Race 1

The windy weather deteriorated just before the start of the race with a light drizzle making conditions tricky but nothing compared to the conditions that were to transpire in the second race!

The race started in its normal way with a rolling start, even though at the drivers briefing the Clerk was insisting on a normal standing start. Xavier Kingsland went into the lead, which he was to hold for the eight laps of the race. On lap 3 JB attempted to squeeze up the inside of Andy Turner at the hairpin, causing Andy to take avoiding action, then JB selected the wrong gear, which added to the confusion, with Darrell then passing on the outside. Darrell and JB would maintain second and third places for the remainder of the race.

Andy Turner held fourth place for a while until Roy Hunt caught and passed him after getting very sideways on the first long left-hand bend after the hairpin.

John Turner was in an unusual sixth place with his car being over-gearred mainly as a result of running with new L section tyres.

Roy Wright finished in seventh position having had an uneventful race.

Fastest lap went to Darrell Woods in a time of 1:17.53.

Race 2

The rain between race one and race two got harder and harder and when the cars lined up in the assembly area many had great problems in starting using their mechanical starters and several had to be push started.

The organisers quite rightly had deemed this a wet weather race and instructed competitors to take two green flag laps in order to get accustomed to the very slippery conditions especially at the hairpin.

At the flag Xavier Kingsland was very quickly overtaken at the hairpin by the super brave Andy Turner, only for Andy to spin on the first right hander after the hairpin so Xavier took the lead until the super, super, brave JB Jones took the lead that he then held for several laps until at last Xavier overtook him coming out of the last right-hand bend before the start finish straight. Andy and Darrell continued to have a good dice throughout the race until Andy's engine failed and he coasted into the pits.

John Turner, another of the spinners at the hairpin, still getting used to his L section tyres then had a second spin, which dropped him down to fifth place.

Roy Wright had another trouble free run and was happy with his car in the very wet conditions. Roy Hunt though conditions were not as slippery as he thought they would be, finished in fourth place.

JB after being passed by Xavier manage to spin but then keep going to retain third place, Darrell having moved ahead into second, catching Xavier towards the end of the race being only 0.13 seconds behind at the finish and also recording fastest lap of 1:27.98 in the tricky conditions.

Overall, a great days racing with only one car failure through the days competition, a 20-minute qualifying session, a 10-minute and a 12-minute race all for a very affordable £125 for each race.

Despite the rain, strong winds and a small grid, all competitors thoroughly enjoyed the racing and the hospitality of the VSCC. Our thanks go to the marshal's for braving the awful weather.
