

## 500 Owners Association Circuit Racing Entries Are now On-line with Purple Lap.

Following our friends at FJHRA signing up with the Purple Lap online race entry system, the 500OA are also adopting the system.

The main benefits are that you only need to enter your personal and cars information once.

Thereafter it's a very simple matter of selecting a round of the 500OA Championship that you want to enter, confirming your details and agreeing to pay by BACS, and that's it!

You select your password which is encrypted on the Purple Lap system and cannot be viewed by anyone other than yourself, and all payments are by BACS which are outside of the Purple Lap system, so no concern about a third party having access to your bank details.

**If you are already a member of Purple Lap you only need to add the full details of your 500 car and the 500 OA club to enter events**

If you are new to Purple Lap, to register and enter circuit races in the 500 OA Championship please follow these simple instructions.

### Entering an event

- Visit: [www.purplelap.com](http://www.purplelap.com)
- Login - Top Right click on the + sign
- Enter Events - Top right menu. As the Purple Lap system operates for a number of clubs you will see **all** events, so it may be easier to enter 500OA in the search box and this will bring up all of the 500OA races
- After selecting the event just click enter and complete the car and driver selection, agree the declaration, confirm that you have completed everything, then tick the bank transfer and click complete entry - That's it!
- If your information is incomplete, the system will prompt you to fill in the missing information
- Remember that your BACS payment is not part of the Purple Lap system, so please action your BACS payment in the normal way

You will receive an automated email that your entry has been received and subsequently a further confirmation email when your BACS payment has been notified to the club. Entries are not accepted until the correct entry fee has been remitted
