

There was glorious sunshine and a refreshing new look to the sixteen entries for our opening race at Oulton Park. While most of the cars were familiar we were pleased to welcome Simon Evans in a JP Mk Ib ex-Shackleton, biker Chris Wilson who has taken over Gordon Russell's Mackson, now in a splendid blue livery, John Greenwood in the ex-Richard Ellingworth Cooper Mk IX and Malcolm Wishart with the original Bob Gerard Mk VIII recently owned by James Holland. Also in a different car was Andy Raynor who has acquired Richard Utley's JBS.

Simon Dedman's Waye was sadly a non-runner due to a snapped driveshaft. Mike Fowler led practice away and was setting good times but it was Darrell and Stuart whose dingdong put them fractionally ahead on the front row. Malcolm's engine stopped due, it was later found, to an earthing fault and Simon Frost's mag failure on the Martin necessitated a replacement. John Turner unusually blew the core out of his sparking plug and the possibility of ingested ceramic fragments led to a Turner committee decision to change the engine – maybe because it was Andy's engine!

So fifteen cars of eight different marques started the race with Darrell streaking off into a lead never to be challenged. Behind him a race long battle between Mike Fowler and Stuart Wright went down to the wire with a near dead-heat for second (separated by eight hundredths of a second!) though Roy Hunt in the Martin was well on their heels till he was unlucky enough for his engine to seize on the last lap. Xavier had a fairly quiet race into 4th place followed by Roy Wright and then John Turner who had worked through to 6th from the back of the grid in his traditional style. Next up was Andy Raynor in a steady drive who passed Chairman Challis when the latter's clutch cooked very publicly as he nursed his way to the finish. Chris Wilson and John Greenwood completed the finishers, but sadly as well as Roy Hunt we had lost both Simons, Evans and Frost early in the race with mag problems, Kerry for unknown cause and on lap 5 Malcolm whose clutch cable snapped leaving him to change gear clutchless at which the gearbox protested. However, his performance earned him the Chairman's "Man of the Match" award.

This was the annual race for the Lewis-Evans Trophy which commemorates Stuart Lewis-Evans, a top Formula 3 driver in period who graduated to grand prix where he drove for Vanwall until a mechanical failure caused an accident from which he died. He raced a Cooper at Oulton Park and indeed in 1956 himself had a near dead-heat to win from Jim Russell.

It was our great pleasure that his son Steve and daughter Helen with their families were able to watch the race from the pit wall for the race trophy which Steve later presented to Darrell, a previous winner at Brands Hatch four years ago.
